## The Best By Test

Go to [www.duracooler.com](http://www.duracooler.com) and see why Duracooler® is **the best by test**. DuraCooler®—the greatest innovation in keel cooler technology in over 40 years—is the most efficient keel cooler in the industry. Its **unique, streamlined header** enhances internal coolant and external seawater flow, while reducing system pressure drop and **increasing cooling efficiency**. This means optimum heat transfer efficiency, smaller keel cooler requirements and a reduction in cooling system costs.

Duramax Marine is **constantly looking for ways to improve** the DuraCooler® design. Our extensive, full-scale, in-house testing program helps identify ways to improve our keel coolers, making them **smaller...and more affordable**.

DuraCooler® is quickly becoming the keel cooler of choice by owners, architects and shipyards around the world. **So forget the rest...and choose the best by test**—the DuraCooler® from Duramax® Marine. Visit [www.duracooler.com](http://www.duracooler.com) for your free sizing today.
