

Custom-crafted solutions for the way you live.

Unmatched expertise...  
Unsurpassed style...with  
a tradition of craftsmanship.

The Bedford Group, Northeast Ohio's premiere cabinetry and millwork facility, has been creating rooms of comfort and substance for over 30 years.

Our custom designs range from the simple to the complex, using the incomparable beauty of natural wood and other specially-appointed materials.

As your turnkey millwork facility, we offer comprehensive solutions that include project managers who manage your work from design to final installation. We work with the industry's foremost architects, contractors and designers to ensure quality work on every project. And Bedford specializes in custom cabinetry and millwork for the retail and commercial markets.
