

WHAT'S DRIVING YOUR SUCCESS?

With all the mergers, alliances and joint ventures, the automotive industry is now a global vehicle driving the world's economy at a breakneck speed.

So who can you count on to help your company shift gears with the forces changing this business?

Raymond & Prokop, P.C.

Our Automotive Industry Group provides legal and business know-how to help OEM, Tier One, Two and Three, and dealer clients handle any challenge, from taxation to business planning and mergers/acquisitions to labor issues.

And our strategic network of worldwide affiliates drives our expertise regarding domestic and international concerns, including helping clients make the most of business opportunities in China.

From the Motor City to the Forbidden City, you can rely on the Automotive Industry Group, from Raymond & Prokop, P.C., to help steer your business in the right direction.

The low profile law firm for high profile clients.™
