Invented by Nichia

Only nature produces a brighter, cleaner white than Nichia, creator of the white LED. And like nature, Nichia covers the entire range of white, from cool to warm and everything in between, for every architectural lighting application. Our LEDs are also nature-friendly, using less energy than traditional lighting while running cooler and lasting longer. So, for all your lighting needs, reach for the stars. Ask for the original white LED, only from Nichia.
